Summary of Lesson 1 / Adam and Eve: God created humans, male & female in his image. Man was placed in the Garden to care for it and have dominion. But they were not to eat from the Tree of Knowledge of Good and Evil.

Overview Activity – poetry – page 74 –  
Gen. 2:1-22

*The Lord God made the heavens and  
earth.*

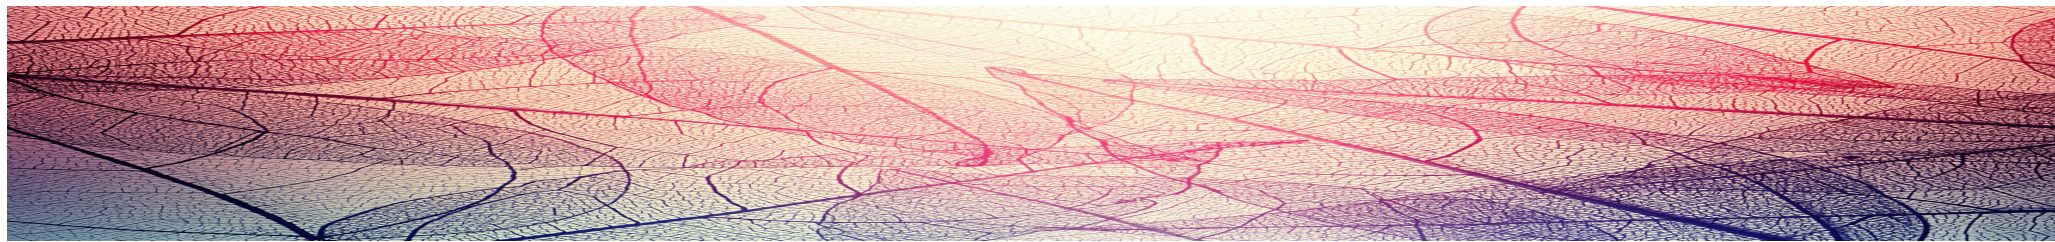

*Then He made a garden and placed  
man there.*

*Man named the animals but needed a  
mate.*

*So, God created a woman to help him  
give care.*

*Now write 4 lines that focus on Gen  
2:23-25*

**The man said, "This is now bone of my bones and flesh of my flesh; she shall be called 'woman,' for she was taken out of man." That is why a man leaves his father and mother and is united to his wife, and they become one flesh. Adam and his wife were both naked, and they felt no shame. (Gen 2:23-25)**

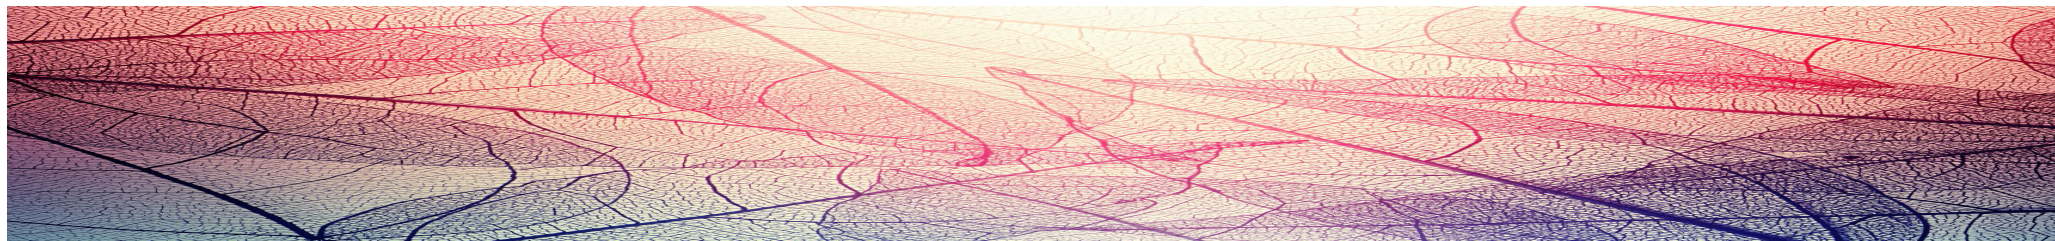

**The woman was made from man's flesh and bones.**

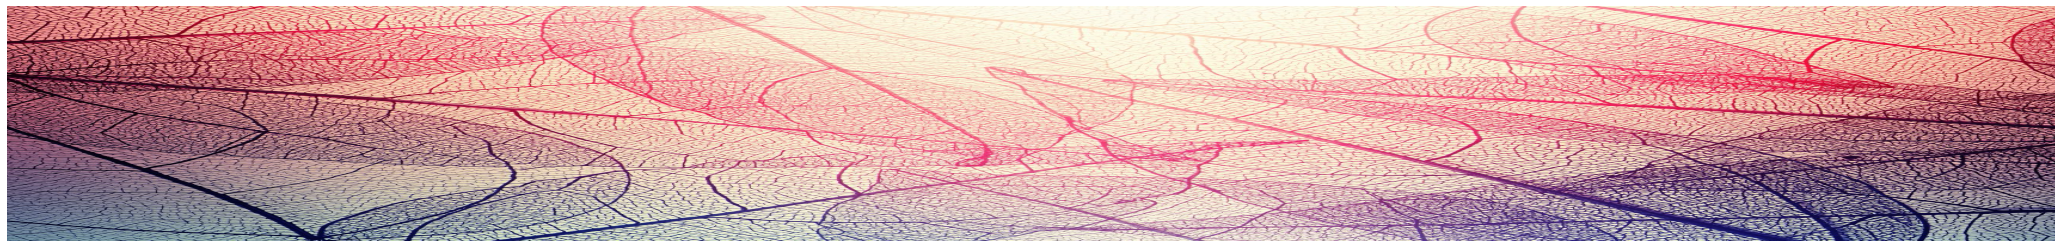

**Now man leaves his parents to be with his wife.**

**They were naked and bare but felt no shame.**

**Life in the garden could have been without strife.**
